

61ST ANNIVERSARY

HOLD "LINE FOR BUCKINGHAM PALACE"
GALIANO MAN IS TOLD EARLY SUNDAY

On Sunday, Sept. 1, Mr. and Mrs. Frank Graham, Galiano, were awakened early by the insistent ringing of the telephone. Upon answering, Mr. Graham was asked to "please hold the line for Buckingham Palace!" Hardly believing his ears, Mr.

Graham talked to Her Majesty's lady-in-waiting, who conveyed good wishes from the Queen, and mentioned that it would be followed by an official telegram. Telegrams were also received by the couple from Prime Min-

ister Lester B. Pearson, the Lieutenant-Governor of British Columbia, the Hon. George R. Pearkes, V.C.; Premier W. A. C. Bennett, and a host of friends wishing them well, on their 61st wedding anniversary.

NO TORY IN RING YET

Four Are Named In Saanich For September 30 General Election

Salesman, house painter, writer and lawyer have been named to seek the Saanich seat in the forthcoming provincial general election. The candidates represent Social Credit, Socialist Party of Canada, N.D.P. and Liberal.

SOCIAL CREDIT

John Tisdale, who has held the Saanich seat for the past decade, will again seek election as a Social Credit candidate. A salesman, he has made his home in Saanich since his election here.

George Jenkins, house painter, will carry the Socialist banner.

Running for the extreme leftist group, he represents a party which has been in existence since 1928, but which has only fielded a candidate in Saanich in the past several years.

NEW DEMOCRAT

John Windsor, writer and blind war veteran has turned from federal affairs to the provincial scene. Mr. Windsor sought election to Ottawa in the past federal election as a New Democrat. He lost out to George Chatterton. Successful author of Blind Date, Mr. Windsor has resided at Erentwood for the past decade.

LIBERAL

Ian Stewart is a newcomer to Saanich public affairs. A lawyer in Victoria, he makes his bachelor home at Prospect Lake. Mr. Stewart will contest the seat on behalf of the Liberals. Active in community affairs at Prospect Lake, Mr. Stewart is a well-known sportsman and was a prominent football player at U.B.C.

In 1960 Saanich seat was held by John Tisdale for the Social Credit party when he polled 10,165 votes. Second place was taken by Pat Thomas for the C.C.F., with 6,512 votes. Frank Grieve ran

third under the Liberal banner, with 4,451 and V. E. Virgin polled 1,782 for the Progressive Conservatives. Last place was taken by Ernest Knott, who won 73 votes on a Communist ticket.

Island Is Closed To All Hunters

Hunting is prohibited on Piers Island. By a resolution of property owners the island has been closed to hunters and will be posted accordingly. Provincial game branch is keeping the island under surveillance.

President of Piers Island Association, W. S. MacNutt explained to The Review that with the steady development of the island hunting has become a hazard to safety among the island trails.

A large flock of sheep and two horses on the island will also gain protection from the ruling.

Boat Basin Making Progress

Area of approximately 1½ acres has been filled at Ganges with the material dredged from the boat basin. The area filled is now being levelled by bulldozers.

Rook breakwater is under construction.

Work is being undertaken by the department of public works. Upon its completion, the area will be handed over to the department of transport, at which time Salt Spring Island Chamber of Commerce will present plans for adapting the reclaimed area.

Project will provide about 1,500 feet of wharfage.

Hopes for creating a fill on the opposite side of the causeway have been dashed by a number of circumstances, not the least of which being the objection of foreshore owners to losing access to tidal waters.

MISS P.N.E. TO CUT RIBBON

Tulista Park Ceremony To Take Place Here Next Week

Formal opening and dedication of the new waterfront Tulista Park at Sidney will be observed on Saturday afternoon, Sept. 21.

Park, which was formerly the village disposal area, has been filled, levelled and seeded to grass. Trees are planted around the perimeter and a rustic pavilion for picnics is almost completed.

Area is located on Fifth St., south of the ferry compound. Tulista Park has been named after the Indian title of Bazar Bay. It is planned as a partly ornamental and partly recreational area for the village.

At 2:30 p.m. on September 21 it will be dedicated for park purposes by Rev. Canon, F. C. Vaughan-Birch and Rev. C. H. Whitmore, with other clergy also taking part.

Following the dedication the ribbon will be cut by Miss P.N.E.

Queen Linda, Princesses Peggy Clark and Nancy Miller will accompany the Sidney Queen.

Public is invited to the ceremony. Also taking part in the formalities will be North Saanich Secondary school band.

Development Of Island Is Indicated By Report Here

Extent of development was revealed recently when president of Piers Island Association told the annual meeting that 62 properties have now been sold on the island and 25 homes have already been erected there.

Jewel Steals Spotlight At Saanich Fair

Jersey heifer which took the spotlight at the recent Saanich Fall Fair is proudly displayed by her owner, 14-year-old Judy Chilcott, of 5848 Wallace Drive.

Lady Archer's Jeweled Arrow was named senior champion and grand champion of the Jersey heifers at this year's fair and the ribbons and trophies shown with her are solid proof. Jewel received the J. R. Scooby trophy for the best purebred Jersey cow at the fair. Special honor came to the champion as the Jersey was the featured breed at the 95th annual fair.

Besides the trophies and ribbons, her young owner, Judy, received a coffee set and halter. Judy is a member of the Saanich 4-H Jersey Calf Club and this was her second year exhibiting at the fair. A student at Mount Newton junior secondary school, Judy is the daughter of Mr. and Mrs. J. E. Chilcott.

Loses Finger To Mower

Victor Menzies, of Pender Island, had the misfortune to lose the tips of two fingers on his right hand last week, when extracting a twig from his power mower while the knives were in operation. One digit was cut off at the first knuckle, and the tip severed from the middle finger. Local nurses dressed the hand, and Mr. Menzies spent a couple of days at the Lady Minto hospital this week, undergoing skin grafts.

Banquet Here For Miss P.N.E.

Community banquet is planned on Saturday evening, Sept. 21, in honor of Miss P.N.E. Guest of honor is the Sidney queen, Linda Douma, who was named Miss P.N.E. at the recent mainland fair.

The banquet is a community affair and is being staged by no specific group. General invitation to the community has been extended.

Banquet will be staged at Sanscha Hall.

Water Nearer For Deep Cove District As Meeting Called

Stage is set for the distribution of water in the Deep Cove area.

On Friday evening, Sept. 20, ratepayers will be invited to give authority to the laying of mains and the construction of a piped water system in Deep Cove, Patricia Bay and Towler Park area served by the recently incorporated Deep Cove Water District.

Meeting will be held in the Legion Hall, Mills Road, at 8 p.m. Invitation to ratepayers to sign up will mark the end of the road for a group of residents who have been working for several years to-

wards the establishment of a water supply for the thirsty area. Minimum of 175 customers for water will provide a basic figure of \$10 per month to cover the entire installation. This figure allows for a consumption of 5,000 gallons.

Deep Cove Water District has based its prices on current costs. The anticipated costs have been reached after many months of investigation and with the support of surveys carried out by the provincial government and by the district's engineer.

Proposal to build 18 homes at Patricia Bay for naval personnel has met with violent objection. Petition is being circulated among residents in the vicinity of the development calling on the associate minister of national defence to transfer the project to Sidney village.

Storm blew up when it was proposed that the 18 homes should be erected on West Saanich Road immediately south of the marine base at Patricia Bay.

Local residents have urged that the area is the only property suitable for high-class residential development purposes in the Greater Victoria area. Failure to observe closely the zoning regulations in the area will result in a degradation of these residential values, contend the property owners.

Original plans to erect 18 "mobile homes" was changed when objections were voiced over a wide

area. Department of national defence plans for the development specify pre-cut B.C. materials erected on site, explained a naval spokesman.

The homes conform to Central Mortgage and Housing regulations and are planned in accordance with supplement five of the National Building Code, he added.

Earlier this year the village of Sidney recommended that the homes be erected in the village, but the department of national defence selected the Patricia Bay site for the project.

It was the proposal of the village which was largely instrumental in bringing about the change of plans from mobile homes to on-site construction. The village council explained to the department that prefabricated homes of the style initially visualized would not be acceptable here.

The mobile home is more common in eastern Canada and many such dwellings are located in the vicinity of military and naval establishments in Ontario and Quebec.

The homes planned are to offer accommodation for some of the serving men and their families from VU 33 Navy Squadron at Patricia Bay. The married quarters in use at the station at present are the original homes of the property erected before the war and their acquisition by the department of national defence for the construction of the airport. These homes are elderly and have deteriorated to the point where repairs are generally no longer feasible.

OBJECT TO SIZE

Objection of the homes on half an acre of property is objected to by residents protesting the plan. The zoning of the area calls for a minimum lot size of two acres, it is explained in the petition.

Petition concludes with the hope that the decision to proceed with the housing development will be reconsidered by the appropriate authority and the request that the impartial opinion of the Capital Regional Planning Board be obtained.

AT REST HAVEN

HOSPITAL SETS NEW HOURS FOR VISITING PATIENTS

Visiting hours at Rest Haven hospital have been drastically changed.

In future patients may be visited at any time between 2 p.m. and 8 p.m. The new schedule will be in effect on Sunday, Sept. 15. Until the end of the year the system will be maintained on a trial basis, to be re-examined by the hospital administration.

Only exception to the rule will be the maternity ward, where visiting hours will be extended to 2 p.m. until 4:30 p.m. and 6:30 to 8 p.m. Restrictions on the maternity ward's hours is to avoid having visitors during the period when the baby is with its mother.

Administration has found that

restricted hours bring a heavy influx of visitors within a short period. Longer hours will effect a spreading out of the burden. In establishing the new routine, the hospital administration has been guided by the conviction that visitors exert a beneficial influence on most patients.

Extended visiting hours will necessitate treatments being given during the visiting hours. Under such conditions visitors will be invited to wait in the lounge until the treatment is finished.

Further advantage presented by the new schedule is the relief for the parking area. With a broad range of hours, it is hoped that a sudden surge of traffic will no longer be experienced every day.

It Took Up A Lot Of Space

—57-lb. Tyee

Fish that took up an awful lot of room in the trunk of a Chevy II was brought down from Nahmint Bay in the Alberni Canal last Sunday by Gerry Fagan of Brentwood.

The 57½-pound tyee was landed by Mr. Fagan about 7:30 on Sunday morning after an hour's battle. It is the second largest salmon caught in the bay. The fisherman was using an Alaska plug with a 14-ounce weight on about 80 feet of line. In the boat at the time the fish was landed was Maurice Roylton, also of Brentwood.

The two men were with a group of about 20 fishing enthusiasts from the Brentwood area who make an annual trip up island to fish for the "big boys." The group has been making the trip for the past seven or eight years and this fish is the largest any of them has pulled out.

Salt Spring Island Chamber of Commerce will make available the tourist information booth at Ganges for use as a non-partisan transportation centre in the forthcoming provincial election.

36 Awards At Saanich Fair For Rabbits

Royal Oak rabbits have the edge over their fellows. This was evidenced once again at Saanich Fair. A. J. Ingram, of Greentree Rabbitry, won 36 awards in the rabbit section of the fair on Labor Day weekend.

Mr. Ingram has made a long habit of winning prizes with his rabbits. He has been exhibiting for 15 years in B.C. fairs. During that 15 years he has been consistently taking prizes.

At Saanich Mr. Ingram took three special awards, 18 first prizes, 10 seconds, three thirds and two fourths.

BUILDING FIGURES RELEASED

Building permits to the value of \$35,720 were issued for the North Saanich Community Planning Area by Building Inspector W. R. Cannon for the month of August. Included in this total were two permits for new homes valued at \$11,000 and \$12,500 respectively.

Four permits for additions and one for alterations and alterations were valued at \$9,800.

In addition, there were nine permits granted for the installation of plumbing and one permit issued for the construction of a garage with an estimated value of \$200.

Blaze Levels Central Saanich Barn

An estimated \$20,000 damage was caused by a fire which completely levelled a barn in Central Saanich last week-end. Barn, located on McFattie Road, was completed only two years ago by owner Robert Amy.

Central Saanich volunteer firemen fought the blaze for several hours and an all-night vigil was kept on the smouldering remains.

The 10-stall barn was valued at \$15,000, and there were approximately \$5,000 worth of personal effects destroyed. The structure was insured for \$7,500. There were no animals in the barn at the time of the fire. Twelve tons of well-cured hay were also lost.

Mr. Amy, a breeder of thoroughbred horses, was not at home when the blaze broke out late Saturday night.

FUEL OIL SERVICE

BUSINESS CHANGES HANDS AFTER 45 YEARS OF OPERATION BY SAME FAMILY

After 45 years in business in Sidney, Wright's Sidney Oil Co. Ltd., has sold out. Last week the last delivery was made by the old-established Sidney firm and C. J. McDowell Ltd., of Victoria, purchased the fuel oil business, simultaneously opening a depot in Sidney.

The oil business was established by Fred Wright shortly after the First World War. Initially it operated as a marina at the foot of Beacon Ave., later switching its operation to heating oils and garage service. At the time of the sale it was the oldest Sidney business still operated by the same family.

Fred Wright, in company with Newell Copeland, was operating a marina during the late twenties and had many a story to tell of customers in high-powered boats who would acquire colossal quantities of gas in order to power their liquor smuggling operations.

FASHION SHOW AT SANSCHA

H.M.S. Endeavour Chapter, I.O.D.E., met in Sidney school on September 4, with 11 members present. Mrs. G. F. Gilbert, first vice-regent, was in the chair.

Arrangements were finalized for the fall fashion show which the T. Eaton Co. is presenting for the chapter on September 27 in Sanscha Hall.

Meeting closed with the singing of God Save the Queen.

The business was later operated by Fred Wright on his own. He was active until the time of his death a decade ago.

Norman T. Wright, his son, then acquired the firm and operated it until last week.

Mr. Wright has retained possession of the storage facilities in Sidney, but they are no longer operated by him. His sole connection with the oil business, he explained, is the operation of a truck.

Weather Doesn't Dampen Spirits

Despite slightly inclement weather, an enjoyable day was spent by a number of local youths last Sunday afternoon. The group journeyed to Yellowpoint after enjoying a meal or roast corn prepared by David Carl and Kent Elliott at Ivy Green Park.

The group later travelled to Yellowpoint where they paid a surprise visit to Miss Claire Johnson of Madrona Drive, Deep Cove, who has been spending the summer in the employ of Mr. Hill, owner and manager of Yellowpoint Lodge. Miss Johnson was delighted to see among the group her old friends, Misses Ann Aylard, Pamela Davis, Diana Wilson, Emily Rickard, Ann and Janet Barclay. Accompanying these young ladies were Clifford Dawson, Jack Farley, Pogo Postans, David Carl, Kent Elliott and Michael Miller. They returned home later that evening.

ing service. The heavy tanker and trailer which has been hauling oil in bulk for the past few years will continue to carry it out to the B.C. Ferries and to various other points, but Mr. Wright is contracting for the hauling and no longer concerned with the sale of oil.

CONTINUES

Roy Tutte, who has been with the company for many years will continue to distribute heating oils for C. J. McDowell Ltd.

Mr. Wright has been associated with numerous community organizations since he returned here to direct the business. He was closely identified with Sanscha when he served as president during the 1958 centennial celebrations. Latterly he has been president of the War Memorial Park Society.

Wright's is the second longest-established business to pass out of the hands of the family which founded it in recent months. Local Meat Market, operated by the same family for 50 years, was recently taken over by Hugh Hollingworth, when A. D. Harvey disposed of the business.

GARDEN PARTY SUCCESSFUL W.A. INFORMED

Afternoon branch of St. Andrew's and Holy Trinity W.A. met on September 4 in the parish hall, with 20 members and one visitor present.

The president said the Carolyn Macklem Home garden party had been very successful, the sum realized being almost twice that of last year. Mrs. McQuarrie told the meeting there was a shortage of home cooking for the affair.

The education secretary read excerpts from two periodicals regarding the Anglican Congress. Disappointment has been expressed that "so little has come out of the Anglican Congress", it was revealed. This gathering of the clergy from all parts of the globe and from vastly different environments, is for the exchange of ideas and frank discussion. Decisions arising from it will be brought out at the Lambeth Conference. The Archbishop of Canterbury predicts vast changes to meet the challenges of this changing world, the W.A. members were informed.

Mrs. S. W. Davis and her husband will leave in October to spend the summer in New Zealand. Mrs. Davis has been preparing condensations of the study book.

The E.C.D. secretary has sent in \$26.05. Mrs. Ramsay reported she had received a letter from the Diocesan E.C.D. secretary to say that the fund had provided \$150 for a church basement.

Mrs. Robert Clay sent a donation of flannelette and broadcloth. Mrs. F. C. Vaughan-Birch moved that this material be used to make articles for the spring bazaar, and this motion was approved.

The president closed the meeting with prayers for the Theological College and for St. Faith's Guild. Tea was served by hostesses Mrs. Pearson and Mrs. Pryor.

MINIATURE VILLAGES ARE IN KEEPING WITH COUNTRY

By DORIS LEEDHAM HOBBS

I have just had a delightful visit to the Land of the Little People on Mount Newton Cross Roads — Central Saanich. This is one of our latest attractions, and certainly one which spurs the imagination.

From a field of weeds and old loganberry bushes, the proprietor, Thomas C. Karr, has made the most unique and charming Canadian Village community. Fine lawn grass edges the black-topped "roads" and 8,000 bedding annuals have been grown for our pleasure.

The little Canadian Village has up-to-the-minute style of houses, stores and shopping centres, outside which are minute modelled figures going about their business. A neat little church, community hall, and a children's hospital,

through whose windows one can see patients in their beds, all add to the reality.

There is, of course, a motel and a handsome hotel, a school with its play grounds, a golf club house on its little golf links complete with players teeing off.

A miniature rose garden surrounding an open-air swimming pool catches the eye for it is next a model Quebec cottage with curving roof — none of your flat roofs in Quebec — for what is the snow to slide down on. There it is to remind Mr. and Mrs. Karr of their former life in Eastern Canada.

Mr. Karr is part architect, a lot of gardener, a town planner and an expert mechanic besides being a man of vision; for he has created something that will intrigue old and young.

My memories flew back to an-

other little model village in Gloucestershire called Bourton-on-the-Water (Minor). This is situated in the grounds of the hotel of Bourton-on-the-Water (Major), and is a complete replica of the larger village itself.

There one finds old stone used for walls and roofs, everything in miniature reproducing the village one has just entered. The shallow "water" flows through big Bourton and is crossed by numerous low stone bridges. Even the small church in the tiny Bourton has the added attraction of the fact that part of the church wall can be swung out revealing the congregation, and choir complete with hymn books. By some clever bit of gramophone recording (also in miniature) one hears the strains of "Hear My Prayer."

What a vast contrast between the old lovely bit of historic Eng-

Construction Begins On Laundromat

—At Brentwood

Construction of a laundromat commenced in Brentwood Bay last Thursday. The coin-operated machines will be located in a cement block building between the new post office and new office of Brentwood Properties Ltd., on the site of the old post office.

Laundromat is being constructed by Bonpas and Benn for Brentwood postmaster P. F. Benn. Cold storage plant of Saanich Fruit Growers was constructed by the same contractors.

When completed, the building will measure 16 by 24 feet and will be so constructed as to allow for easy expansion. Six washers and three driers will be installed in the unit by Ald Canada Ltd. Mr. Benn hopes to have the laundromat opened at the beginning of October.

Laundromat, the name commonly given to all coin-operated cleaning establishments, is actually a trade name of Canadian Westinghouse Co. Ltd.

Brentwood's first Laundromat, representing an investment of approximately \$8,000, will remain open seven days a week from 8 a.m. to 10 p.m. The old post office will be sold by Mr. Benn.

Another business presently under construction at Brentwood Bay is a ladies' and children's wear and dry goods store. This shop is being constructed at the northeast corner of Wallace Drive and West Saanich Road by Mr. and Mrs. J. Morrison, of Brentwood. Living quarters are being included in the structure.

Mr. and Mrs. Morrison expect to move into their new home in November or December although the store will not be opened until early spring of next year. The shop will be operated by Mrs. Morrison, who has had experience in similar stores in eastern Canada. Mr. Morrison is employed at H.M.C. Dockyard. Originally from Toronto, they have lived in Brentwood at 7153 West Saanich Road, for the past two years.

PARISH PRIEST LEAVES FOR ROME

Rev. Philip Hanley, pastor of the Roman Catholic parish of Saanich Peninsula and the Gulf Islands has left en route for Rome.

Fr. Hanley will spend several weeks in the company of Bishop Remi de Roo, of Victoria. He will later travel on to Belgium, where he plans to study for a year.

The local priest will return to Vancouver Island in a year's time.

During his absence Rev. W. Mudge is in charge of the parish with Rev. Arthur Leonard, of Victoria, assisting him on Sundays.

STUDENT NURSES ENJOY HOLIDAY NEAR SIDNEY

From Monday, Sept. 2 to Thursday, Sept. 5, 30 student nurses of St. Joseph's School of Nursing gathered at the home of Mrs. Wm. Beswick, Dencross Terrace, to celebrate the first day (September 5) of their senior year. Miss Sharon Beswick, who is in the class of B-64, assisted her parents in making the holiday a very happy one.

For some of the girls, whose homes are in the interior of B.C., swimming in salt water was something entirely new and to catch crab, oysters and shrimp to cook themselves was even a greater pleasure.

Eating outdoors in the beautiful waterfront garden of Mr. and Mrs. Beswick was delightful and the culinary arts of the young ladies delectable. They had bonfires on the beach where they ate corn and hot dogs, and to add to their enjoyment, music was amplified from the house.

To keep the ladies active, they tried their skill at horseshoes, badminton, outdoor cribbage, ring-toss, bowling, swimming and boating. In the moonlight each evening, songs in harmony were to be heard from young voices, bringing to a close a perfect day.

Guests were: Misses Linda Haines, Salmon Arm; Irene Harris, Jennie Jacobson, Judy James, Lynn Merredith, Courtenay; Ingrid Mueller, Toms Lake, B.C.; June Murphy, Terrace; Pam McMillan, Peggy McShane, Linda Marks, Duncan; Heather Stewart, Betty Cartwright, Bea Jones, Marion Service, Trail; Beryl Grist, Abbotsford; Fran Drew, Bonnie Lynch, both of Fernie; Linda Nicol, Duncan; Valerie Prendergast, Nanaimo; Irene Vondean, Kamloops; Linda Venus, Port Hardy; Donna White, Sharon Henry, Trail; Mary Du Harry, Dog Creek; Leslie De Grace, Prince George; Lois Chala, Natal; Terry Leggett, Lorraine Beaty, Duncan; Joan Novenzano, Cranbrook. Girls are from Victoria unless otherwise shown.

First Meeting Of Fall For St. John's U.C.W.

St. John's U.C.W. held their first meeting of the fall season recently, at the home of Mrs. W. Brown, All Bay Road, with 15 members and one guest present.

The president, Mrs. J. Beattie, opened the meeting by reading a chapter from the book, "Meditations From a Prison Cell," by F. Olin Stockwell.

The group discussed a Save the Children Fund project which will be taken up further at the next meeting.

BRENTWOOD

Brentwood United Church Sunday school started again last Sunday after the summer recess. The juniors meet at 10 o'clock and the primary at 11:15 a.m. There is a great need for more teachers. Those who are willing to help with this rewarding work are asked to get in touch with J. R. Hardingham, Verdier Ave. The telephone number is GR 4-1647.

The United Church Women will resume the monthly meetings on Thursday afternoon, Sept. 12. The meeting is a week early as it is the first for the fall season. Future meetings will be held on the third Thursday of the month as usual. Thursday's meeting is being held at 2 o'clock at the home of Mrs. Harold Simpson, 7085 Brentview Drive. It is hoped the new minister will attend and address the meeting and all visitors will be welcomed.

Mrs. Connie Kelly, of Stelly's Cross Road, left for Colorado Springs last week to visit her sister, Mrs. W. P. Hatch. She hopes to be away for three weeks.

Mr. and Mrs. W. Miller, who have resided in Victoria for several years after selling their home on Mount Newton Cross Road have now moved to Brentwood Bay. They are making their home with their daughter and grandson, Mrs. S. Shiner and Allan, on Sluggett Road.

TEA BECOMES SURPRISE SHOWER

A tea given in honor of Mrs. G. Buckborough, nee Shirley Kerr, turned out to be a surprise bath-room shower given by Mrs. E. Finlay, Saturday evening, at her home on Stelly's Cross Road.

The bride, Mrs. G. Buckborough and her mother, Mrs. R. Kerr, received lovely corsages, while the bride's young sister, Wendy, received a pretty little nosegay.

As the guests arrived they were asked to sign their names in an autograph book and on the last pages of the book was an account of the afternoon entertainment.

Guests enjoyed an amusing contest and prizes given were dainty

tea aprons made of paper serviettes and ribbon. Gifts were placed in a bathroom hamper. Ribbons from the gifts were later used to make bows of various shapes and sizes, and these were attached to a tinfoil plate shaped to represent a hat which looked quite stunning tied with ribbon on the honored guest. Also a highlight of the afternoon was the viewing of the bride's photograph book which showed the stages of her recent wedding.

Refreshments served by the hostess included an original miniature bride's cake with the top layer

supported by circular clear plastic pill containers in which small roses were enclosed. As was done on the bride's wedding day, the cake was cut and placed in small dollies around which was tied red and white ribbons. A piece so wrapped was given to each guest. Trays of cakes with a wedding and engagement ring motif were brought in by the hostesses and contents very much admired.

HOUSING OF SERVICEMEN

PROBLEM of housing families of servicemen in this district is developing into a controversial one at present. The federal government will be well advised to give the situation long and careful study before embarking on any program which might devalue existing residential properties and cause any estrangement between permanent residents of the area and serving defense personnel.

Details of the controversy are well known. The federal government plans to erect houses to accommodate navy personnel and their families. Every resident of Sidney and North Saanich welcomes this move. The only disagreement concerns what type of houses shall be built and where they will be located.

Officers of two responsible property owner groups and elected representatives of the Village of Sidney, have all pleaded for erection of these homes on suitable sites in the municipality where sewerage and other facilities are already available. In apparent defiance of the expressed views of these citizens, the government has announced its plan to cram them into a small area in the Patricia Bay district. How such a decision could have been reached is difficult to understand.

Some residents are interpreting the opposition of the citizens to antagonism towards navy personnel. Nothing could be wider of the mark. Navy personnel are in exactly the same position as members of the army and air force. All go where they are directed by the minister of national defense. They reside where the minister tells them to. If a mistake is made in construction of homes to accommodate members of any service, it is solely the responsibility of the cabinet—not of the branch of the service in any way.

Let us see the homes built without delay. But their location should be well chosen.

FERRY TRAFFIC

EVEN admirals have their troubles when it comes to ship transportation. Premier W. A. C. Bennett has often been termed "admiral" of the fleet operated by B.C. Ferry Authority. He it was who directed that the province go into the shipping business and the service provided is a credit to his foresight and direction. But even the Premier found out recently how difficult it is to sail from Fulford to Swartz Bay.

Last week-end Mr. and Mrs. Bennett drove to the ferry slip at Fulford only to find that the ship was already filled. They were obliged to wait patiently until the vessel returned to carry another capacity load to Swartz Bay.

What did the Social Credit leader meditate on during the two-hour lapse? We'll never know. But it's probable that an additional ferry to transport the increasing traffic between Fulford and Swartz Bay may be ordered soon.

It's A Dog's Life -Canine Notes-

By Malemute

Those who attended the championship dog shows held by the Vancouver Island Dog Fanciers in the Victoria Curling Rink last Friday and Saturday were able to see an excellent assortment of canine specimens. Four provinces and six states sent representatives: they were B.C., Alberta, Saskatchewan and Ontario; Washington, Oregon, California, Wyoming, Arizona and Michigan. Many of these fine specimens had been on the road for several weeks going from one show to another, with no chance to relax by chasing an alley cat in all that time (it is not unlikely that some of these aristocrats wouldn't know what a cat was anyway—such things are not included in their restricted little world).

GOOD ATTENDANCE

The shows were well attended and with adequate space available it was possible to move about and see the various species on their benches. Unfortunately it had not proved feasible to label all the breeds as had been intended. Judging commenced promptly with two rings and two judges—Mrs. E. Joel of Islington, Ont., and K. Rickman of Sidney, B.C. This proved without hitch and without undue rush kept easily to schedule, despite the fact that 217 dogs were entered.

Except for Friday morning the third ring was equally busy with an obedience trial held by the Greater Victoria Dog Obedience Training Club commencing promptly at 2:30 p.m. and lasting to nearly 10 o'clock Friday evening under Judge Ben Taylor of Vancouver. Another trial was held Saturday under Mrs. Ellen Fraser, also of Vancouver. Some 34 dogs competed in the five classes. Not all passed but all put on a good show.

FURIOUS PACE

Saturday morning the third ring was occupied by the Van Isle German Shepherd Dog Club, when some score of dogs with their

handlers indulged in that strenuous exercise of galloping around the ring at the furious pace deemed necessary to show off the gait of the breed.

The shows were visited on Saturday by a group of children from the Orphanage who seemed to enjoy it, and who behaved so well that few spotted their presence. Friday night the trophies were presented by Miss Victoria and on Saturday night by Mrs. G. Donaldson. An innovation (brainchild of Mrs. E. Whitehead) which met with the hearty approval of the spectator group was a parade of dogs accompanied by their handlers dressed in the traditional garb of the country of their dogs' origin. Considerable ingenuity was displayed in the improvisation of costumes and the effect was warmly applauded.

SAANICH

The Saanich district was well represented at the show by some 15 entries who did rather well in the face of stiff competition. It is noted that of the 15, seven were imported dogs and eight were Canadian-bred, and of the latter, half were bred by their owners in Saanich. These dogs were distributed almost equally among the six groups with two or three competing in each. In the Sporting Dogs, E. J. Dadds of Brentwood Bay entered his German short-haired pointer and T. G. Verner of 110 Goward Road entered a Brittany spaniel.

In Sporting Hounds, Ken and Joan Dale of 1854 Stelly's Cross Road, Saanichton, entered an Afghan; A. I. Dallin, 450 Cronar Road, Deep Cove, beagle; Mrs. A. B. Nash, 9502 Ardmore Drive, miniature smooth dachshund.

In the Working Dog Class, Mr. and Mrs. J. McCoy of 692 Beaver Lake Road entered a rough collie; Mr. and Mrs. G. Iverson, 5323 West Saanich Road, a German shepherd and J. M. Howton of 2234 Ardwell Ave., a Pembroke Welsh corgi.

F. G. Richards

lumbians link the family name more readily with that of the pioneer's son, Simon, William Tolmie was a doctor who became a fur trader when the Indian country called. For all his exploring and trading, Tolmie was a doctor throughout his travels.

This book is not a story of the pioneer settler. It is the presentation of his diary. In October, 1830, Tolmie was learning his profession. Final entry in the book is that of September 18, 1831. As a resident of Victoria, Dr. Tolmie was on a visit to Tacoma. This entry was made some 40 years after the main body of the writing.

Within the space of 50 years and significantly of the first 10, Tolmie came to this continent as a young physician. The keen sense of enquiry which had accompanied his observations in medicine were destined to be put to work on his travels. The terse notes within his journal are a link with the past. The reader of the journal can see the mountains and plains of British Columbia as they appeared to this young man 100 years ago. The journal does not confine itself to the geography or the political features of this new land and the yet unnamed province. The diary was maintained by a strait-laced young Scotsman and represented in some degree a means of venting his boredom while spending years in strange land among a limited group of people.

EXCITING DAY SPENT BY GIRL GUIDES AS GUESTS OF NAVY

Thrilling few hours as guests of the Royal Canadian Navy were enjoyed by Girl Guides of 1st Beaver Lake, Brentwood, Royal Oak and Sea Rangers of S.R.S. Margaree on August 28.

The girls, accompanied by leaders and camp assistants, boarded a navy transport bus at Beaver Lake school at noon on August 28. The bus, driven by Ernie Milligan, took them to H.M.C. Dockyard where they were welcomed officially by Lt. Cmdr. W. Patton, who boarded the bus and acted as a guide for a tour of the establishment. The Guides also toured the sailing sloop H.M.C.S. Oriole as guests of her captain, Lt. Cmdr. W. Walker.

The party then boarded the auxiliary motor vessel Oriole III for a short cruise. Each of the Sea Rangers took a turn at the wheel of the vessel. The boat returned to dockside at 3 p.m., where the bus was waiting to transport them home.

Discussion Group Planned Again For Peninsula Area

Informal discussions of current events is the main theme of a series of meetings planned on Saanich Peninsula during the fall and winter months.

Last year a program of "living room learning" was established in Saanichton, when a group of 12 people assembled twice each month to debate events and their causes.

The program has since been modified and is operating under the title, Study-Discussion Program.

Each group requires an attendance of 12 persons. The group follows a prepared discussion plan under the supervision of a trained moderator.

This year's program has been selected from a wide variety offered and covers "Adventures of the Mind". The course is set up by the extension department of the University of British Columbia, but its scope is not such as require a university background.

Presenting the series are Mr. and Mrs. Ross Leighton, Haldon Road, Saanichton. The discussions will be held in their home.

Last year saw a successful presentation at the same location.

Organizational meeting will be staged on Tuesday evening, Sept. 24, at the home of Mr. and Mrs. Leighton, 1805 Haldon Road, off East Saanich Road. The inaugural meeting will commence at 8 p.m. and discussions are planned between 8 p.m. and 10 p.m.

Discussions are operated on the basis of group dynamics, when all participants are free to express

any opinion they may have on a variety of subjects. The leader of the group controls the debate and provides material for keeping it active.

Interested readers may communicate with Mrs. Leighton at 474-1375.

ATHLETIC CLUB

Fulford Athletic Club took in \$101 at the clam and corn barbe-cue last week.

Jack Roland, president of the club, expressed gratitude of members to those who donated peas, butter, milk and corn, and who helped the club.

Winter recreation program is now prepared and a range of activities is aimed at a wide section of the community.

SCHEDULE

Thursday nights, badminton in the Fulford Hall for boys and girls.

Fridays, basketball for boys and girls.

Wednesdays, Adult Skating Club.

Mondays, Badminton for men and women.

Sundays, soccer for boys.

Meeting Planned

Continuing a practice established over the past few years, the Central Saanich Chamber of Commerce will sponsor an all-candidates meeting for the forthcoming provincial election in the Women's Institute hall at Brentwood Bay.

Date of the meeting has not yet been decided.

RATEPAYERS EXPRESS CONCERN

Mayne Islanders Call For Closer Liaison With Highways Department Over Road Work

Regular meeting of Mayne Island Ratepayers' Association was held in the Island Agricultural Hall on the evening of August 31. The meeting was very well attended, 70 out of a total of 144 members being present. The chair was taken by F. J. Dodds, president.

After the reading of the minutes of the last regular meeting, discussion became general, relating to matters arising out of the minutes and new business that was brought up. Most of these matters were widely and freely discussed, and action taken should represent consensus of island opinion.

Mention was made of the plaque presented to "Queen of the Islands", and the action of the executive in joining the Islands Joint Council was approved.

GARBAGE DISPOSAL

On the question of sanitation, which sooner or later will present a real problem, the speaker for the committee reported that so far nothing positive had been done, as it had not been possible to obtain land for a garbage disposal plant.

The committee was instructed to carry on with its enquiries.

A unanimous vote of thanks was given to Mr. and Mrs. R. Steele for the work they have done in connection with the first aid post. Recently a drive has been under way to obtain finances for running this important work, and the association has undertaken custodianship of these finances.

The association undertook to take over rental and charge of the airplane float at Miner's Bay, from the Agricultural Society, who had assumed liability, and had been instrumental in retaining this service for the island when, two years ago, the department of transport

had decided to terminate it.

FIRE PROTECTION

The matter of fire protection was discussed in some detail and referred back to the executive for further information as to costs.

A considerable part of the evening was spent discussing the perennial problem, transport. Two months' experience with the new ferry is now available, and this covers the period of greatest strain on the ferry system.

In general, everybody had praise for the system, which is the best the island has had, but there are kinks to be ironed out.

It is for the period before the new ferry is ready that changes

and alterations are sought.

A letter from P. Zuest was read, which suggested certain basic alterations in the schedule.

The executive was instructed to write the B.C. Ferry Authority conveying the recommendations.

A spreading out of the freight service of non-perishables to periods of slack carriage with rate inducements to ship at those periods is also urged. Despite the revamped service, there is still a long wait, and a very slow journey, when the ferries are crowded.

The fare rates also caused considerable comment.

In general they were considered out of line, when compared with rates in other, and comparable areas, from point of time and distance. It was pointed out that a return trip, Mayne to Tsawwassen, for a family of five, is at present \$18 without a vehicle and \$28 with one. Comparison was made with the fare to Victoria—the same distance—and in the Howe Sound area, where the fares are considerably less. Islanders expressed the opinion that the ferry authority should review these comparisons.

ROADS DISCUSSED

There was also discussion on island roads. The executive was instructed to form a highways sub-committee, and to discuss with the department of highways a number of points.

Outside labor and equipment should not be brought in, if suitable labor and equipment is available on the island, it was urged. This does not refer to the use of government equipment and department employees on other islands in the group.

As the local road crew is definitely a maintenance crew, outside crews should be brought in for new construction, with special reference to the use of island labor and equipment, claim islanders.

Local government equipment should be brought up to date, and of a type more capable of doing the work, the meeting suggested.

A discussion at the beginning of each year between the department and the islanders regarding construction and major repair would be of great benefit to the island and would assist the highways department in formulating the annual road program, the meeting also urged.

At the end of the discussion a number of interesting color slides were shown by G. McNicol, made from pictures taken at the inaugural run of "Queen of the Islands", and also of the smorgasbord held at Mayne on July 1, which included a permanent pictorial record of the many pretty and accurate "Naughty Nineties" costumes made by the ladies which were never used for the purpose they were intended... that of welcoming the new "Queen".

spending the week-end with parents, Mr. and Mrs. C. O. Twiss.

Mr. and Mrs. O. H. New and son, Bill, spent the week-end at their summer home here.

Mr. and Mrs. George Patmore, West Vancouver, are spending the next two weeks at their cottage on Gulf Drive.

BREAKFAST REVENUES ARE DISTRIBUTED BY LADIES

Miss Zella Manning was installed and welcomed as member of Ladies' Auxiliary to Royal Canadian Legion, Branch 92, by the president, Mrs. F. W. Kirkham, at the September meeting held on Tuesday in the Legion Hall at Ganges. Twenty members attended the first meeting of the fall season.

A cheque for \$200 has been presented to Joan Stevens, this year's winner of the Legion bursary.

The president expressed thanks, from the committee, for the able assistance of all those who contributed to the success of the Legion breakfast on August 11, during the Pirate Days Fiesta. A

vote of thanks was tendered Mrs. Kirkham and Mrs. A. L. Campbell who convened the affair. Thanks have been forwarded to all donors of food and supplies.

On the suggestion of the president, it was moved that from the profits of the breakfast, the sum of \$100, be put in the bursary fund and \$75 be donated to the branch towards the purchase of more chairs for the Legion Hall.

The auxiliary declined to convene the annual tag day for the C.N.I.B. but volunteered the assistance of taggers.

The auxiliary will again convene the annual Armistice Dinner in November.

TEA FOR GUILD

Mrs. D. Bellhouse has been the gracious hostess at the teas held at her lovely home on Galiano Island, every Tuesday and Thursday during the summer, proceeds going to St. Margaret's Ladies' Guild. The sum of \$70 was taken in during this time.

NOTICE

To The Voters Of Saanich

Are you one of the sixty-two percent who voted against Social Credit in the last Provincial Election? If so, this message is for you. Only by closing ranks, can we, the Majority, express our dissatisfaction with the present ONE MAN RULE.

In John Windsor, the New Democrats have a candidate who is an outstanding Saanich personality having served his country in both peace and war.

IF YOU ELECT HIM HE WILL SERVE YOU WELL.

No matter what your party, give Saanich a strong voice by

Voting JOHN WINDSOR On Sept. 30th

(inserted by the Saanich New Democratic Party Campaign Committee)

KEEP B.C. MOVING!

British Columbia today is enjoying the greatest boom in the history of any province in Canada. *And the greatest years are still ahead.* Keep B.C. moving forward by re-electing the government that puts progress ahead of platitudes — *the government that gets things done.* Your vote for Social Credit on September 30th is a vote for the policies that have brought British Columbia to the threshold of its greatest years. Be sure with your vote. On September 30th, mark your ballot for British Columbia's future. Vote for your Social Credit candidate.

Giant diversion tunnels for the Portage Mountain Dam Project are nearing completion. The mighty Peace River will be turned from its course in a few weeks, while the 600-foot high dam is constructed. Your Social Credit Government's two-river hydro policy will guarantee British Columbia the continent's greatest pool of low-cost available power.

Site of Mica Dam on the Columbia River. The Social Credit Government is working to bring our people the lowest-cost power in Canada. Rate reductions of \$5 million each year will be made over the next seven years, reflecting the economies realized through public development of our vast hydroelectric resources.

Low-cost power is the key to economic growth. The two-river policies of your Social Credit Government are leading British Columbia into a tremendous new era of prosperity. The impact of new construction and investment is already apparent in our economy.

Eight major hospital projects now under construction — 20 more in the final planning stages. Your Social Credit Government is pledged to work for a national health insurance plan which embodies no new taxation load and respects the traditional doctor-patient relationship, in cooperation with the Federal Government.

Magnificent new Simon Fraser University will open to students in 1965 — a cornerstone in your Social Credit Government's plan to make higher education available to more than 20,000 new students throughout the Province in the next seven years.

Throughout B.C. modern highways and water crossings present a striking new image of our Province to tourists and residents alike. In the next seven years, 50% more first class highway mileage will be constructed.

Terrific success of the B.C. Ferries system, and its growth from two ferries two years ago to 19 today, is evidence of Social Credit Government leadership in opening up your Province.

1961 and 1962 both broke all records for economic growth. This year is proving to be even better. Under Social Credit Government, British Columbians enjoy the highest average weekly wages and salaries in Canada.

Forestry this year, under progressive Social Credit natural resource policies, will contribute more than \$300 million to our economy. In the next seven years your Government plans to increase even that figure by 50%.

LOCAL BREEDERS PROMINENT IN P.N.E. CATTLE JUDGING

Pacific National Exhibition is over for another year and complete results of all competitions have now been compiled. One of the most successful entrants in the 1963 fair was William Taylor of Saanichton.

Cattle exhibited by Mr. Taylor in the Holstein classes frequently came up for awards. Saanwood Daisy May, owned by Mr. Taylor, was named champion junior heifer and placed first in the heifer, senior yearling division.

Other awards taken by the Holsteins from the Saanichton farm were as follows: bull, senior calf, third and sixth; bull, junior yearling, third; bull, two years and under three, second; heifer, senior calf, third; junior get of sire, four animals, under two years of age by one sire, third; heifer, two years and under three, not in milk, first; heifer, three years and under four, in milk, third; and senior get of sire, four animals by one sire, third.

ISLAND SECOND

Vancouver Island placed second in the Holstein district herd, comprising one bull, senior yearling or over; one bull, one junior yearling or under; one cow, three years or over; one cow, two years old; one cow yearling, and one cow calf.

In other competitions in the live-

stock judging, John Stanlake placed fifth in the herdsman's showing contest, dairy animal, and cattle exhibited by Clara Taylor, also of Saanichton, placed second in dairy animals.

In Aberdeen-Angus beef cattle judging, the name of Woodwynn Farm was prominent throughout the prize lists. Following are some of the positions obtained by cattle from the West Saanich farm: heifer, senior yearling, third and fourth; heifer, junior yearling, second; heifer, summer yearling, fourth; heifer, junior calf, third; three calves, third; bull, aged, Riverbend Farms and Woodwynn Farm, first, second, Woodwynn Farm, first, second; bull, senior yearling, second; senior champion bull, Riverbend Farm and Woodwynn Farm; bull senior calf, second and fourth; bull, junior calf, second; cow, aged, third; breeder's herd, third; progeny of dam, two animals, third, fourth and fifth; special, cow any age, with calf at foot, third.

Chief position gained by a local breeder in Jersey cattle judging was taken by A. W. Aylard and Sons, Sidney, who placed third in heifer, senior calf. Others of this district with cattle entered in this division were J. A. Wright, Saanichton, and Richard L. Mutrie, Saanichton.

New Series For Imogene

Imogene Coca stars as Grindl, a mild-mannered itinerant domestic who finds different employment each week, in a new fall series on CBC-TV. She works through an employment agency which obtains jobs for her in various households. When Grindl gets to her assignments, she invariably finds that her domestic duties are secondary to the comedy adventures she encounters.

FOOT AND MOUTH

These Cards Prepared By "Helpless" Artists

A year ago, a project was launched for the first time in Canada: the sale of greeting cards reproduced from paintings by artists who, through sickness or accident, lost the use of their hands.

As in most other parts of the world, the project was a great success with Canadians from coast to coast. It has now been decided to offer a new selection, chosen from outstanding paintings by mouth and foot painting artists, to the Canadian public.

DISTRIBUTORS

The cards are again distributed by Rehendant Canada Limited, of Toronto, subsidiary of the Association of Mouth and Foot Painting Artists with headquarters in the Principality of Liechtenstein.

The pictures represent a small selection from hundreds of recent

entries by the handicapped artists who own the Association. As a result of the sale of these reproductions, the artists, who represent some fifteen different nationalities, including Canada, and who would otherwise be dependent on charity, can earn an adequate living in their chosen field, give inspiration and faith to those similarly afflicted and joy to all.

DISTRIBUTION

To avoid misunderstandings about the character of the Association, which operates entirely for the benefit of its artist-members, it has recently submitted an audited statement to all Better Business Bureaux in Canada, showing the distribution of receipts in the past year. This statement shows that the handicapped artists, who form the Association, received 76.3 per cent of the gross receipts, while 13.5 per cent went for exhibitions and publicity and 10.2 per cent for administrative expenses.

As in the past, the reproductions are sold by direct mail. It is hoped that this will make it possible to find additional handicapped artists in Canada and elsewhere, whose work is of sufficiently high quality to make them acceptable as association members.

Additional information, pictures and biographies may be obtained from Rehendant Canada Limited, Suite 507, 160 Bay Street, Toronto 1, Ont.

TWO DRAMATIC FILMS AND FIGHT PICTURES

Everyone has day-dreamed at one time or another about the possibility of looking into the future—about visiting tomorrow. That dream can now be a reality, through the movie "Panic in Year Zero", showing this Thursday, Friday and Saturday at the Gem Theatre in Sidney.

Starring Ray Milland, Jean Hagen, Frankie Avalon and Mary Mitchel, "Panic in Year Zero" takes a 90-minute visit to tomorrow; a tomorrow which may never come. It is not the tomorrow of science fiction, but a story of what could happen the day after today if a major catastrophe, such as a nuclear war, were to bring havoc to the land. The story is told through the eyes of an average family of four.

Also to be shown at the Gem with "Panic in Year Zero" are pictures of the recent Liston-Paterson fight.

The disastrous impact of a rebellious young schoolgirl's vengeful charges of indecent assault against her schoolteacher provide the explosive drama of "Term of Trial", a boldly provocative film which may be seen next Monday, Tuesday and Wednesday at the Gem.

Lawrence Olivier, Simone Signoret, Hugh Griffiths, Terence Stamp are starred in the movie which introduces Sarah Miles in the pivotal role of the young girl. "Term of Trial" is brutally realistic and fiercely compassionate in its disclosure of the moral and spiritual conflict between restless youth and troubled adults. The film is adult entertainment only.

Mars Back On Its Wheels

Big job was successfully completed at Patricia Bay Airport last week when this 45-ton Mars flying-boat was lifted by three giant cranes and placed on wheels. The aircraft was blown from its moorings on the north side of the airport in a storm last fall and suffered considerable damage. The lift was made by a work crew of Heaney Cartage and Storage Ltd., of Victoria. The Mars aircraft are being converted for use as aerial fire-fighters, with one presently in service flying from Sprout Lake.

Services Are Cut Back For Winter

The holidays are over. Schools are busy with a new year and vacationers are back in their home communities pursuing the daily toil.

To keep pace with the end of the summer holidays ferry services are being reduced.

International link between Sidney and Anacortes, operated by Washington State Ferries, is back to a single daily service. The ship arrives at the new ferry wharf in Sidney at 12:45 p.m. and leaves at 1 p.m.

Provincial ferries linking Swartz Bay with Tsawwassen will switch to winter schedule at the end of the month. The hourly service operated currently will be reduced to a service every two hours from 7 a.m. until 9 p.m. beginning October.

bustle back accented with a large bow and falling slightly en train. Her shoulder length veil was held by a pearl coronet. She carried a bouquet of ivory colored roses centred by heather that was brought direct from Scotland by the aunt of the groom.

Organza over taffeta gowns in a pale green shade were chosen by bridesmaid Fay Larsen and maid of honor Donna Turner. The dresses were styled with bateau neckline, bell-shaped skirts with chiffon back overskirt. Shoes, gloves and wedding ring hats were all entone. They carried colonial bouquets of pink carnations centred with heather.

Robert Fielding, brother of the groom was best man, and ushering guests were Robert and James Pratt.

The new Mr. and Mrs. Fielding will make their home at 11197 West Saanich Road.

Play To Be Presented In November

Members of the Peninsula Players met at the home of the president, C. F. "Chuck" Swannell, on Tuesday, Sept. 3 for the first general meeting of the season.

A three-act farcical comedy by Vernon Sylvaine, "As Long As They're Happy", has been chosen for this season, and will be presented November 1 and 2 at the Legion hall on Mills Road. Director Nell Horth has selected her cast of 12 and rehearsals are now under way.

The Players welcomed five new members at the meeting, Mesdames Phyl Levar, Norma Hadley, Vivian Cowan and "Frankie" Spear and Doug Taylor. The latter three have consented to take part in the new play.

Additional members are still being sought by the drama group, not necessarily for acting alone, as there is a lot of work involved backstage. Any person wishing information is invited to contact any member of the Peninsula Players.

Bob Hope Here

Comedian Bob Hope was a notable visitor to the Gulf Islands last week. On holiday here, Mr. Hope was aboard the Canbela, yacht owned by Max Bell, when she called at Bedwell Harbor on Sunday.

Travel Shows Further Increase

Tourist travel through Sidney continued to increase during the month of August with a total of 23,384 passengers arriving here. This was an increase of 4,772 over the previous month. Of the total number of passengers arriving here last month, only 3,129 were Canadian.

Departing from Canada via Sidney during August were 16,772 passengers, 13,539 of whom were foreign.

The travellers arrived here in 2,000 automobiles and left in 5,151 automobiles.

Yacht travel was down slightly from July, with a total of 531 vessels arriving here in August and 528 departing. In July, 628 yachts arrived and 626 departed via Sidney. Of the vessels arriving here last month, 440 were foreign.

These travel figures are released monthly by the customs and excise branch of the department of national revenue.

IN AND Around Town

(Continued From Page Two)

Robert Seymour has returned home from an arduous summer with the B.C. Forest Service near Harrison Lake, B.C., to spend a leisurely week with his parents, Dr. and Mrs. W. Seymour and sister, Susan, prior to returning to the University of British Columbia for the winter season, where he is registered in second year education.

Recent guests at the home of Mr. and Mrs. Cliff Wilkinson, Aldous Terrace, were Mrs. Mae Fraser of Vancouver, Mrs. Tadutau of Banff, Mr. and Mrs. George Brown and son, Garry, of Trail, Mrs. Brown, Sr., of Vancouver and Mr. and Mrs. Ab Bradwell of New Westminster.

Rev. and Mrs. C. H. Whitmore, Lovell Ave., have returned home after an enjoyable holiday. They motored over the Rogers Pass to Banff and spent some time with their son and family in Edmonton. On the return trip they travelled via the Jasper Highway to Rogers Pass and through the Okanagan Valley. The latter part of the holiday was enjoyed in Parksville.

The first Rotary Ann meeting of the fall season will be held at the home of Mrs. R. Schofield on Thursday, Sept. 19. Mrs. T. Holway will take over her duties as president, Mrs. P. Clark as secretary and Mrs. S. Watling as treasurer.

Mr. and Mrs. A. Holder returned to their home on Clayton Road after an enjoyable holiday in Calgary and Saskatoon. They travelled to Chilliwack where they joined the latter's brother-in-law and sister to motor via Rogers Pass returning via Jasper Highway and again Rogers Pass.

Mr. and Mrs. J. McGrath and their five children, Jimmy, Sheila, Ann, Carol and Lauriss, of Vancouver, were guests at the homes of Mrs. McGrath's parents, Mr. and Mrs. W. Sadler, Orchard Ave., and sister, Mr. and Mrs. H. Dawson, Third St.

Mr. and Mrs. Harold Dawson, Third St., accompanied by their son, Cliff, and daughter, Robin, enjoyed a three-week holiday in California, with visits at San Diego, Mexico and other interesting places on the trip.

Doyle S. Jewkes, L.R.S.M., B.M., of Rest Haven and Victoria, has left for Milo Academy, Milo, Oregon, where he has been appointed director of music. There are about 200 students at the academy. Mr. Jewkes is a teacher of voice and piano.

Government To Get Prod On Road Improvement Assurances

Central Saanich Chamber of Commerce will give the provincial government another prod to have West Saanich Road improved between Verdier Ave. and Benvenuto Ave.

At the first general meeting after the summer recess on Monday evening, J. T. McKeivitt reminded the chamber that they had been assured several times by the government that improvements would be made to this section of the road. Mr. McKeivitt noted that while West Saanich Road has been entirely repaved south of the Benvenuto intersection, only a small amount of patching has been

The chamber contends that the surface of the road at this point is very rough and that there is a definite danger to students walking on the road on their way to and from Mount Newton secondary or Brentwood elementary schools.
